

FREE RISK MANAGEMENT ADVICE

- Do you want to reduce the cost of risk to your business?
- Do you want to reduce the long-term cost and dependence on insurance?
- Do you want easy access to information and legislation that affects how you run your business?

If the answer to any of these questions is YES then COBRA Underwriting Agencies (CUA) Risk Management website could be the answer.

This online facility comes FREE when taking out a CUA Commercial Select Policy.

CUA is committed to supporting policyholders in managing their key business risks. It is with this in mind we have developed www.cuariskmanagement.co.uk to provide CUA policyholders with a robust and proactive online service that will assist them to manage three key business risk areas:

- Employment Legislation
- Health & Safety Compliance
- Business Continuity Planning

Key features include:

- Translation of Health & Safety and HR legislation in a straightforward way
- Information and downloadable policies, procedures, templates and documentation
- Relevant news and legislation updates are flagged throughout the year
- Unlimited access to experienced advisors via our "Ask the Expert" service
- Time saving easy to use search facilities

Policyholders can access website registration by following simple instructions provided with their policy. Once registered policyholders will have website access for as long as their policy remains in force with CUA.

COBRA Underwriting Agencies' products are only available from COBRA Network Brokers.
